About us.

Conquring Tiles Industry.

At Concor International, we don't just make tiles — we engineer surfaces that shape the future of architecture and design. With an unwavering commitment to innovation, sustainability, and quality, Concor has become a trusted name across the globe, delivering excellence in every square meter.

Backed by over 1400 successfully completed projects and presence in 28+ countries, our journey is defined by world-class craftsmanship, cutting-edge technology, and a deep understanding of aesthetic trends. From classic styles to futuristic textures, each Concor tile reflects our pursuit of perfection and passion for surface innovation.

Our manufacturing process adheres to the highest standards of eco-conscious production, ensuring that our tiles are not just beautiful but also responsibly made. With a robust R&D foundation and a customer-first approach, we continuously evolve to meet the dynamic needs of the global design community.

Whether it's residential elegance or commercial scale, Concor International stands at the intersection of art, durability, and global design—Crafting Tomorrow's Surfaces, one tile at a time.
